

The 2019 Community Engagement Seminar Number 1

Thursday February 21st 2019

Topic

Alcohol and Marijuana

The workshop will be presented by	Staff of the Eastern Health Dual Diagnosis Service
This workshop will focus on:	<p>A Q&A and small-group workshop learning approach to provide participants with knowledge about young people and the impact of alcohol and marijuana (cannabis) on their physical and mental health.</p> <p>Using web based media our presentation will show how alcohol and cannabis affects young people's `brain function and especially about risk taking, planning and judgement.</p> <p>The seminar includes information about treatment services in the eastern region and other training or learning programmes for seminar participants. A set of resource materials will be available for participants to take away.</p>
