

The 2019 Community Education Seminar - Number 2 Thursday, 14 March 2019

Topic

PSYCHOSIS

The workshop will be presented by: **Staff from the Maroondah Early Psychosis Team**

This workshop will focus on:

- What is psychosis – what does it look like to others and what does it feel like for the person suffering it?
- What causes psychosis?
- The stages of psychosis including relapse and social functioning.
- Impact on families and carers
- Early detection and intervention: responding to risk, specialist assessment, accessing treatment
- What does treatment look like?
- Navigating the clinical mental health services system
- Relevant aspects of The Mental Health Act
- The service system for people recovering from psychosis

The workshop will be interactive and allow plenty of time for questions and discussion.

Target audience: Staff whose work potentially brings them into contact with people with psychosis

Time: 9.30am to 12.30pm

Cost: \$80.00 plus GST, (seminar materials, and catered refreshments
Upon registration, you will be invoiced prior to the event
