What's Brighter Futures? Brighter Futures are a group of forward thinking organisations who have teamed up and co-designed a better way to help improve the outcomes of young people, in and transitioning from Out-of-Home-Care. By working together we are determined to help young people overcome the systemic barriers they face. We are based in the Outer East of Melbourne – think Knox, Maroondah and Yarra Ranges areas.

We work alongside young people, with their strengths and interests and closely with those that care about them to help unlock opportunities so young people can achieving their potential and goals!
